

2007 Official Utah Scenic Calendar Features Recreational Opportunities in Utah

The 2007 Official Utah Scenic Calendar illustrates something known by savvy visitors from all over the world: Utah has recreation, activities and events to make every visit in every season of the year a “life elevating” experience.

The 35th annual edition features 77 photographs depicting Utah’s incredible scenery and travelers of all ages enjoying activities in varied landscapes. The calendar’s unique images represent the work of some of the nation’s best outdoor photographers.

Creative text describes each month’s featured photograph. A lift-up page provides access to information on events, celebrations and activities held across the state during the month, as well as additional photos of recreation and scenery typical in each season.

The Utah Scenic Calendar has earned prestigious reputation, garnering honors for design and photography in national and international calendar competitions and is recognized as one of the world’s best scenic calendars.

A beautiful and appreciated gift for friends, family and business colleagues, the 2007 Scenic Calendar is also an excellent way to showcase the natural splendor, cultural diversity and recreation opportunities in Utah for visitors, clients and associates.
